

## 2009 Ladies League Rules

1. All will tee off from the red tee markers.
2. Keep play moving so there are no open holes.
3. Each team member and substitute must be a stockholder and membership paid in full for the current year.
4. There will be a fee of \$15.00 to be paid by the first day of league play. This will pay for all league dues including the 18-Hole Club Tournament.
5. Handicaps will be determined by your lowest 3 out of your last 10 scores. If you do not have a handicap established, your handicap will be 0 for league play. You need 5 scores to have an established handicap.
6. The highest handicap will be 20.
7. Tee time will be 1:00 p.m. each Thursday that league is scheduled.
8. A team match **cannot** be played with two subs. If both team members will be gone, that team must forfeit. If you have a substitute playing for you, please notify Jackie Stone or Rhonda Vauble so that the change can be made prior to the afternoon play on the score cards. **Teams will be penalized 4 points if they don't have a partner. The points will be taken off your team points at the end of the year.**
9. No match will be made up. Be sure to find a substitute to take your place.
10. A team consists of two people. You may pick your own partner.
11. We will continue to play scheduled league play unless there is heavy rain and/or lightning. If the course is closed to carts due to weather, the co-chairmen will determine if we play. If a team quits for any reason during play, their match is forfeited.
12. If your opposing team forfeits, the team with the members present will receive 11 ½ points.
13. **You may fluff in the rough.**
14. Winter rules apply.
15. Weekly fees - \$1.00 per week which is for the \$.25 pin prize and \$.75 for league play.

**We hope that everyone has an enjoyable and fun season of ladies league!**

### **Match Play**

The holes will be marked on your scorecard. Your cards will show whether you must give your opponent any strokes on the appropriate holes. The lowest net score per hole wins one point. The hole is halved if you have the same net score. There is also one point for the team with the lowest score after deducting your handicaps.
