

2010 League Rules

1. All will tee off from red tee markers.
2. Keep play moving so there are no open holes.
3. Each team member and substitute must be a stockholder and membership paid in full for the current year.
4. There will be a fee of \$15 to be paid by the first day of league play. This will pay for all league dues including the 18-Hole Club Tournament.
5. The criteria for determining handicaps is posted on the bulletin board. If you do not have a handicap established your handicap will be 0 for league play. You need 5 scores to have an established handicap.
6. The highest handicap will be 20.
7. **Tee time will be a 1 p.m. each Thursday UNLESS the team you are playing is a non-shotgun-start team. Those teams are numbered 14,15,16,and 18. Each team will be responsible for contacting the other and for setting a time to play later in the day when necessary. The non-shotgun start teams may play anytime it works out for the four of them, given the round is completed on the Thursday scheduled. If teams are able to start play while the shotgun round is still in progress, the later arrivals should proceed to an open hole or wait for an opening on #1 to start your round.**
8. A team match **cannot** be played with two subs. If both team members will be gone, that team must forfeit. If you have a substitute playing for you or you are planning on playing for your partner, please notify Nancy DeVries 662-7660 nedevries@mchsi.com or Laura Murray 662-4671 tenbears@hotmail.com ASAP so that the change can be made prior to the afternoon play on the score cards.
9. No match will be made up with the exception of August 5th (the day of the 9 -Hole Tournament). Make-up matches will be allowed that week providing they are played by August 10th.
10. We will continue to play scheduled league play unless there is heavy rain and/or lightening. If the course is closed to carts due to weather, we will vote as to whether we will hold play that day. If a team quits for any reason during play, their match is forfeited.
11. If the opposing team forfeits, the team with the members present will receive 11 ½ points. No points will be deducted from a team playing with only one player.
12. **Fluffing in the rough is NOT allowed.**
13. Winter rules apply.
14. Weekly fees - \$1.00 per week.

Match Play: The holes will be marked on your scorecard this year. Your cards will show whether you must give your opponent any strokes on the appropriate holes. The lowest net score per hole wins one point. The hole is halved if you have the same net score. There is also one point for the team with the lowest score after deducting your handicaps. The points should add up to 19 between the two teams. **We hope everyone has an enjoyable and fun season of ladies league!**
